

EMERGENCY PROTOCOL - ERIC HAMBER FIELD

LOCATION: On Oak Street, between 33rd and 37th Ave

If you suspect a serious medical emergency, **CALL 911**

- obstructed airway
- respiratory failure
- cardiac arrest
- severe heat problems
- head/brain damage
- cervical spinal injury
- every bleeding
- joint dislocation
- fractures

While you are waiting for ambulance (EMS) to arrive:

- have one person stay with the injured athlete (preselect person with the most medical training)
- elect a second person to wait for ambulance at entrance off Oak Street and escort EMS to field upon arrival
- where possible, maintain cell phone contact between first and second response persons

If you suspect a minor medical emergency and can transport the athlete yourself, **GO TO THE NEAREST EMERGENCY ROOM**

A. For nearest emergency if your athlete is less than 18 years of age:
Head North down Oak St to BC Children's Hospital at 4480 Oak St
(approx. 2 min drive)

B. For nearest emergency room if your athlete is 18 years or older:
Head North down Oak St to Vancouver General Hospital at 855 West
12th Avenue (approx. 7 min drive)*

* VGH's emergency entrance is located on West 10th Avenue
